

## Advisory Committee Meeting

**DATE and TIME:** June 24, 2003 - 9:00 am to 4:30 pm

**LOCATION:** Portage County Annex Building in Stevens Point - Conference Rooms 1 and 2

**PURPOSE:** Advisory Committee will convene with welcome and introductions and a presentation on the water quality, wildlife and habitat impacts of development in the shoreland area. Discussion will follow with the issues of lot sizes, impervious surfaces, nonconforming lots and setback averaging. Advisory committee members will be asked to highlight their preferred option(s) in each category presented. Selection of preferences can be changed at future meetings in needed.

# Directions to the Portage County Annex Building

There is a lot of construction downtown, so people should avoid Highway 10 between the interstate and downtown.

If you are arriving from the north take business 51 south, turn right on Ellis St. (one block south of Highway 10 East), stay in left lane on Ellis and turn left on Church St., go one block west on Church St. and turn right on Arlington St. and then right on Strong's Ave.

If the customer parking lot is full, there is a free city lot at the corner of Water and Arlington Streets, just west of the county building.
